

# The 9<sup>th</sup> International Conference on Spectroscopic Ellipsometry

May 22–28, 2022, Beijing, China

## Notice for Sponsors and Exhibitors of the 9<sup>th</sup> International Conference on Spectroscopic Ellipsometry

Distinguished sponsors and exhibitors,

The 9<sup>th</sup> international conference on spectroscopic ellipsometry will be held on May 22–28, 2022 in Beijing. The international conference on spectroscopic ellipsometry (ICSE), the most-scaled and well-known international conference of spectroscopic ellipsometry and related technologies, started the first one in 1993, has attracted attendees around the world discussing the latest progress and developments on spectroscopic ellipsometry.

The 9<sup>th</sup> international conference on spectroscopic ellipsometry, kept the features of ICSE series, provides an outstanding platform for scientists and engineers worked in the fields of instrumentation, science, spectroscopic ellipsometry and related technologies. We warmly welcome representatives of related units and exhibitors across nation to attend this conference.

### Conference basic information

Organizer: Chongqing University, Fudan University, East China Normal University, Huazhong University of Science and Technology, Shandong University, Graduate school at Shenzhen Tsinghua University, Hangzhou Institute for Advanced Study, UCAS (School of Mathematics and Theoretical Physics), Institute of Mechanics, CAS, Sun Yat-sen University, School of Engineering Science, UCAS.

Conference official website: <http://www.icse-9.com>

Conference service company: Chengdu Tinglan Meeting Co., Ltd

Check-in and construction date: May 21, 2022 (TBD)

Exhibition date: May 22–28, 2022

Removal date: 18:00 on May 28, 2022

## 5. Booth reservation:

5.1 Reservation steps: (set exhibitors as example, sponsors and advertising units are basically the same)

1. Exhibitors need to call and email to reserve booth in advance when they decided to participant.

(contact: Cesc Wu 13880565507 [cesc.wu@tlan-group.com](mailto:cesc.wu@tlan-group.com) )

2. Download and fill out "Confirmation of Sponsorship, Advertisement or Booth Reservation for the 9th International Conference on Spectroscopic Ellipsometry (on behalf of the contract)" via <http://www.icse-9.com>, and send the scanned copy with company stamp to [cesc.wu@tlan-group.com](mailto:cesc.wu@tlan-group.com).

3. Conference service company will call back or email the exhibitors to confirm the info and reservation within 2 working days once they got the email.

4. Exhibitors need to remit the full amount of the participation fee to the designated account within seven working days after receiving the confirmation reply of booth reservation.

Beneficiary: Chengdu Tinglan Meeting Co.,Ltd

Account number:

Bank name:

5. After confirming the payment, the conference service company will stamp the "Confirmation of Sponsorship, Advertisement or Booth Reservation for the 9th International Conference on Spectroscopic Ellipsometry (on behalf of the contract)" , sign and reply to confirm, and that is: Booth reservation is successful.

## 5.2 Requirements and instructions:

1. "Confirmation of Sponsorship, Advertisement or Booth Reservation for the 9th International Conference on Spectroscopic Ellipsometry (on behalf of the contract)" will be used as voucher for on-site check-in procedures, please keep it properly.

2. Exhibitor need to remit the full amount of the participation fee to the designated account within seven working days after signing the contract. If the unit signing the contract fails to pay within the time limit specified in the contract, the organizer has the right to cancel its qualification of sponsorship, advertising or exhibition.

3. It is prohibited to transfer booths or display products that do not match the scope of the exhibits, otherwise the sponsorship, advertising or participation qualifications will be cancelled. The participation fee will not be refunded, and all legal responsibilities need to be assumed by themselves.

4. Sponsors, advertising units and exhibitors must abide by the regulations of organizer and the exhibition hall. For details, please refer to the "Exhibitor's Manual of the 9th International Conference on Spectroscopic Ellipsometry".
